WHILL MODEL C2 – AVAILABLE SOON!

The next generation of Whill Wheelchairs is now here, introducing the Whill C2 which arrives soon! Following on from the success of the Whill C1 Wheelchair, the C2 has undergone significant design improvements to further improve its position as the coolest power wheelchair in the market. Unlike the C1, the C2 is exclusive to Aidacare, which improves our competitive ability.

IMPROVED FEATURES FROM C1 TO C2

- **Size options:** now available in 450mm & 500mm seat widths, suiting a larger range of users.
- **Higher SWL:** increased from 114kg (C1) to 136kg (C2).
- **Rear wheel suspension:** Absorbs the impact when driving over bump roads or obstacles.
- **Mobile phone app compatibility:** access the Whill phone app and operate your chair from anywhere, on all Apple & Android devices (previously only Apple).
- **Improved user interface:** ensures all functional controls are in one place, allowing for simple chair control by the user.
- **Rear tail lights:** improves safety for users in the chair when crossing roads or in high density areas.
- **Standard inclusions:** lap belt, smart key, black side covers, battery and battery charger.

New Product Launch
