

QUICKIE®

KRYPTON

INNOVATIVE CARBON BRAID TECHNOLOGY

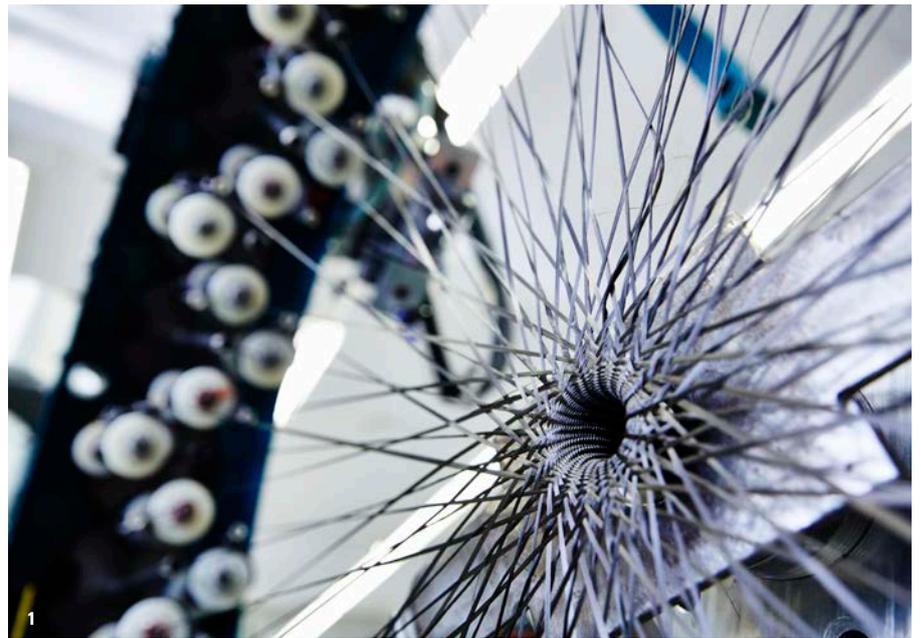

SUNRISE
MEDICAL.

REVOLUTIONARY ENGINEERING

Sunrise Medical are the first wheelchair manufacturer to use patented, innovative seamless **carbon braid technology**.

This fully automated **BRAID process** makes it possible to build the perfect frame – **strong, light** and manufactured with a **precise** and reliable automated process.

That's what we call engineering expertise!

1 Robot-assisted braiding of the Krypton carbon frame tubes

2 In-process quality audit

3 Carbon tube finishing

KRYPTON

PIONEERING CARBON FRAME

We constructed the **QUICKIE Krypton** from the most advanced **carbon technology** available, producing a staggering strength-to-weight ratio.

The result is an **ultra-lightweight** wheelchair combined with supreme rigidity for an ultra-responsive ride.

Take your seat and you'll feel the difference...!

STYLE

QUICKIE®

KRYPTON

KRYPTON F

OUR LIGHTEST FOLDING
WHEELCHAIR EVER

FROM **5.8KGS***

From every angle, the **QUICKIE Krypton F** is conceived to portray beauty. The heart of the Krypton F is its ingeniously designed cross-brace that fits so neatly under the seat it's barely noticeable giving a very minimalistic, open-frame feel.

*Transit Weight

KRYPTON R

PHENOMENAL RIGIDITY AND
RAZOR-SHARP AGILITY

FROM **3.65KGS***

It's not only the exquisite material or the famously seductive styling, but also the athleticism and agility of a unique rigid wheelchair. Infinitely adjustable centre of gravity, fine-tuning of the front and rear seat heights and backrest angle adjustment ensures the **Krypton R** is designed for something truly special.

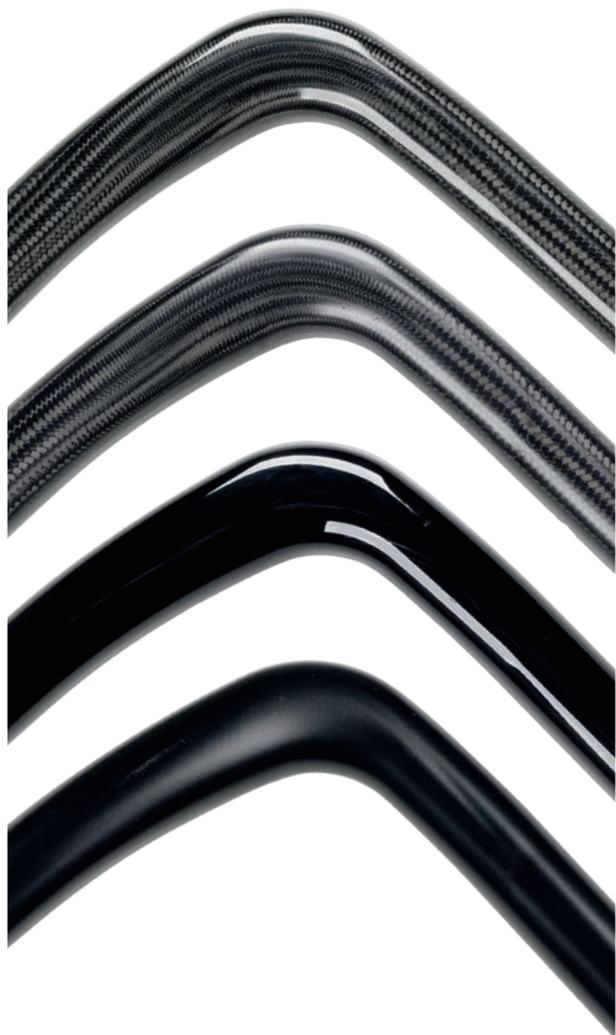

*Transit Weight

COLOUR ACCENTS

There are 5 distinctive colours to choose from for the castor forks, wheels, Exo upholstery and branding.

KRYPTON

EXQUISITE DETAILING

Choosing a **Krypton** is just the beginning. Quickie's personalisation options will help you to create a wheelchair and define a style to call your own.

CARBON FINISHINGS OPTIONS

Clear coat gloss – luxury high gloss clear coat

Clear coat matt – a noble understated lifestyle

Just Black – black coating, matt or glossy

Natural carbon – without coating;
weight saving 100 g.

Look similar to clear coat matt

TWO CASTER HOUSE POSITIONS

Narrow and to the rear position;
ideal for tight environment.

Wide and to the front;
for more front stability.
